Caring for our customers

SINCE 1935

*AS OF 12/31/2022

OUR MISSION IS CLEAR: TO REMAIN AN INDUSTRY LEADER BY PROVIDING CLEAN, SIMPLE & COMPETITIVE PRODUCTS, DELIVERING BEST-IN-CLASS SERVICE, AND PROPELLING THE SUCCESS OF OUR AGENTS, CLIENTS, BUSINESS PARTNERS, AND EMPLOYEES.

INNOVATION

We want to take our entire industry to the next level.

And by that, we mean *all* aspects of the industry - products, service, technology... **everything**. We are continually pushing to do better.

Nothing is taken for granted. We are a company of innovators, turning the ordinary into extraordinary; and we stand by our commitment of caring for you.

**“SILAC IS AN INSTITUTION WHERE STABILITY, TEAMWORK,
AND RESPONSIBILITY LAY THE GROUNDWORK FOR
CREATIVE, INTUITIVE, STABLE FINANCIAL PRODUCTS.”**

OUR PRODUCT DEVELOPMENT PHILOSOPHY:

COMPETITIVENESS

Our products are designed to fill a specific need.

TRANSPARENCY

Every product or product feature is transparent, not overly complicated & adds value.

CONSISTENCY

Maintain consistent rates and renewals by spending the same amount on option budgets.

FINANCIAL RESPONSIBILITY

We strive to create products that offer true value without any fluff.

We like to do things a little differently here.

POWER OF PARTNERSHIPS

While we may be experts at some things, we also recognize the powerful value in **collaboration**. Each partner brings their own expertise, complementary to the others'. Our openness to collaborate translates directly to our product development, allowing us to bring forth very focused and elevated products that hadn't before existed in the market.

#SILACcares

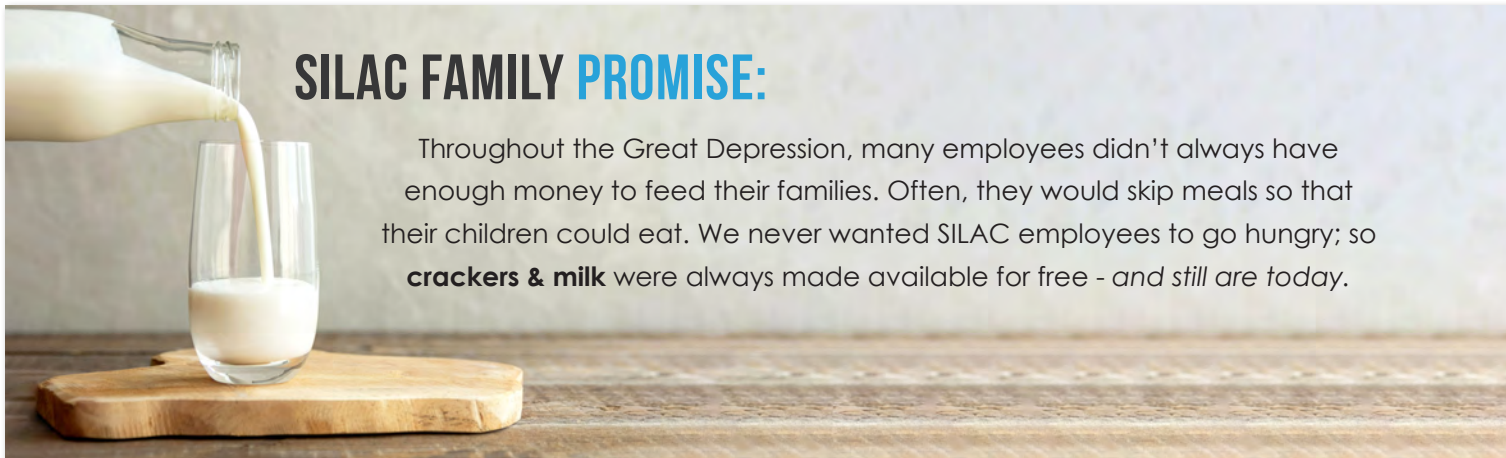

At SILAC, we are a bunch of passionate, caring people... people capable of making a significant impact on our own communities, as well as the lives of our policyholders. The rewards from giving back are seemingly immeasurable. Our commitment to caring extends in our corporate responsibility; initiatives that create value for our employees, agents, and policyholders by contributing to great causes.

We are proud to partner with like-minded organizations that make a positive impact in the communities they serve; and SILAC is committed to making a positive impact in the communities where we live and do business.

SOME OF THE CHARITABLE ORGANIZATIONS WE SUPPORT:

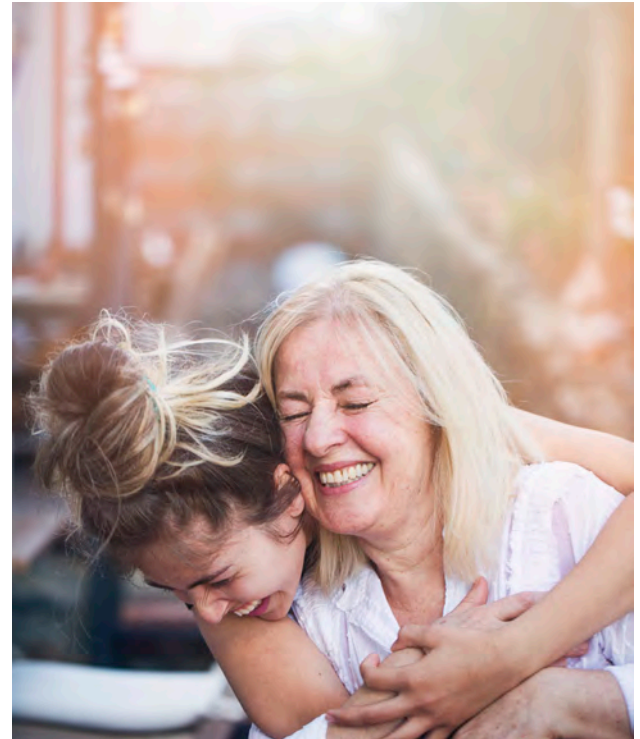

SILAC FAMILY PROMISE:

Throughout the Great Depression, many employees didn't always have enough money to feed their families. Often, they would skip meals so that their children could eat. We never wanted SILAC employees to go hungry; so **crackers & milk** were always made available for free - *and still are today.*

OUR CULTURE

At SILAC, we have families, mentors, best friends, and above all, *good, quality people who care about succeeding together as a company*. Each employee brings with them a unique perspective, adding to the growth and development of our company.

Teamwork, creativity, collaboration, gratitude, and integrity are among the values that are championed here. Every accolade is a testament to our employees and culture; and we are incredibly fortunate to have the best people on our team.

Since 2018, we have greatly expanded our workforce to include additional people, skillsets, and positions - all in an effort to better serve our policyholders. Up until 2017, we were only located in Utah; but we now have employees across the nation!
